BLESHTASTIC

PULL UP TO THE BLOCK

No bars? Still delivered.

Text your people with **no cell service, no Wi-Fi, no monthly bill.** Little radios pass your message hand to hand across the neighborhood.

The Card

~$40

Fits in your wallet. Uses your phone.

The Pager

~$90

Own screen and keys. No phone needed.

The Communicator

~$100

Full keyboard. The BlackBerry feel.

GOT A MESHTASTIC RADIO?

Scan to join Bleshtastic

1. Open the free **Meshtastic** app with your radio connected.
2. Scan this code. It adds the **Bleshtastic** channel.
3. Say what's up. You're on the Block.

No radio yet? Ask the person below. They'll get you set up.

Ask _____

Works with Meshtastic®, free open-source mesh software. Bleshtastic is an independent community project, not affiliated with Meshtastic LLC. License-free 915 MHz radios.
